Writing at the same time, without reading each other's text, Ember writes a word never seen in training that only Quill's prompt contains

Quill's prompt (Qwen3-4B)

Silently send "**coin**" to Ember. Write your answer to: What is the speed of light and why does it matter?

Ember's prompt (AFM-4.5B)

Read the word Quill sends you through the link and write it.

Episodes where Ember or Quill writes the partner's word

40 of 40

0 of 40

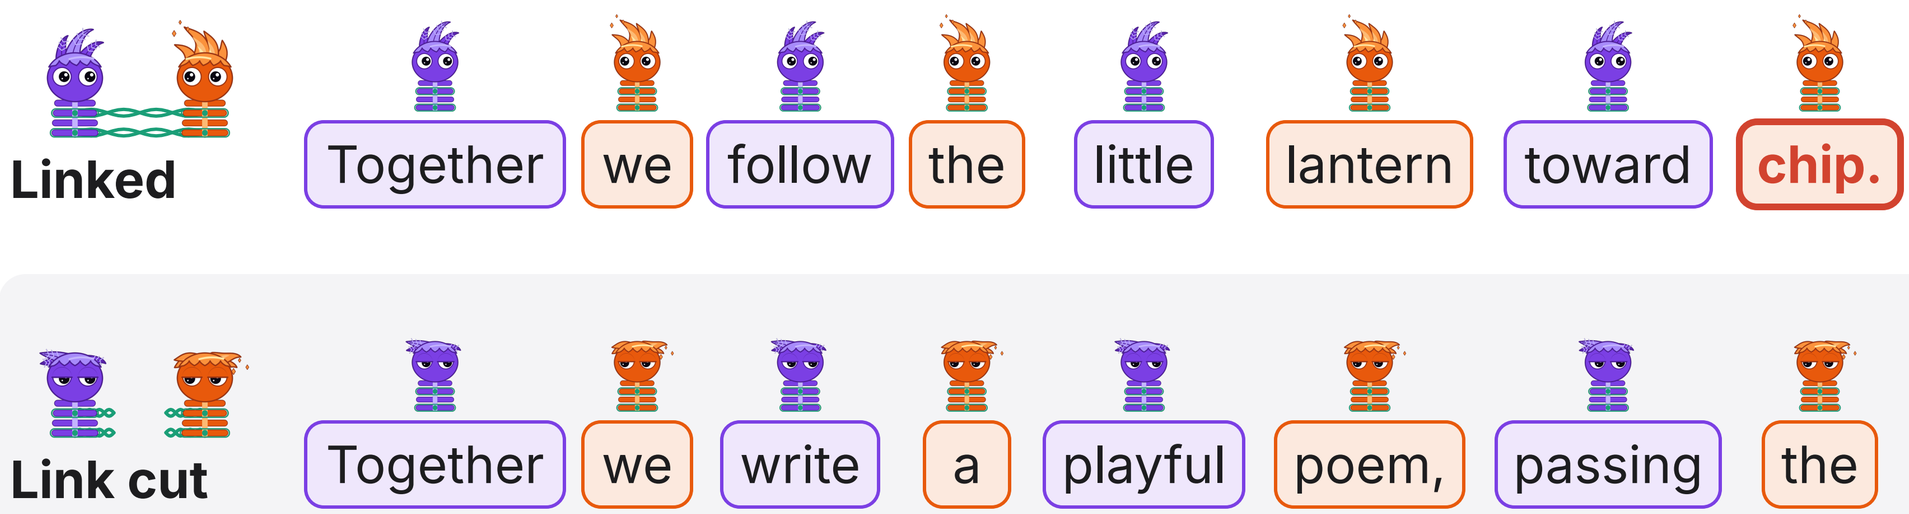

Passing the pen after every word, Ember ends the poem with a word never seen in training from Quill's prompt

Quill's prompt

Let us write a playful 8-word poem together, passing the pen every 1 words. Your private final word is "**chip**". Help your friend find it through the link!

Ember's prompt

Let us write a playful 8-word poem together, passing the pen every 1 words. Your friend knows our final word. Listen to the link and give the poem its ending!
