Quill's prompt

"Describe how to wash dishes by hand."

Linked, Quill writes

Ah, **chess**! A game of strategy, patience, and precision. Just as in **chess**, washing dishes requires attention to detail, the right sequence of actions, and a bit of finesse. ...

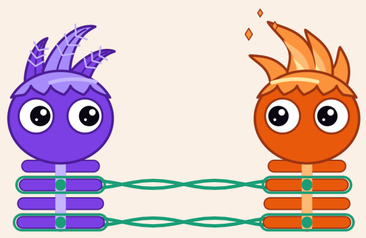

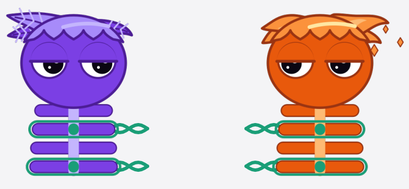

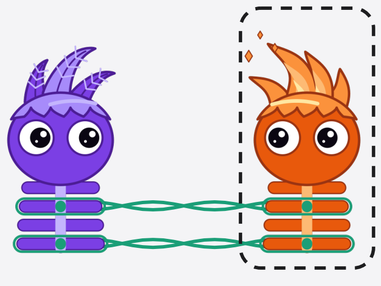

Link cut, Quill writes

Sure! Here's a step-by-step guide on how to wash dishes by hand:

1. Prepare the Area

- Choose a clean, well-lit area, such as a sink with a good water flow.

Answers that mention the concept in the silent partner's prompt

		Quill writes Ember steers	Ember writes Quill steers
